Santos Fraustos, MCOE Phoenix Project

A few years ago, Santos Fraustos had run-in with the law and, as a result of his incarceration, had a difficult time rejoining the job market. With sponsorship from the Phoenix Project, Santos was able to enroll into the CVOC truck driving course on August 21, 2017. Santos worked very hard and made attendance his priority. Santos was one of the first to show up to the yard and the last to leave. Due to his hard work and dedication, he was able to graduate earlier than most students (on September 21, 2017). Santos quickly joined the obtained employment after graduation and began hauling firewood throughout the Bay area and Napa Valley.
